

Carpet Bowls in Inkpen

We have the carpet and the bowls!

All we need now are players to start our own carpet bowls group here in Inkpen.

No skills, level of fitness or equipment necessary. All you need is a good sense of humour and patience while we all learn together.

If someone has played before then that is a bonus for the rest of us.

The first of our weekly meetings is on **Thursday 6th April** at 2pm until 5pm in the Village Hall where we will discuss arrangements and have a go. A member of the English Carpet Bowls Association has agreed to join us at one of our early meetings to clarify any of the rules and to give us suggestions on how to improve an individual's skill.

This group will not be a master class in bowls. It is an opportunity for villagers to get together to learn a new skill and to socialise.

There is an introductory charge of £3 to include tea/coffee and biscuits.
